

FOR HOUSEHOLD USE ONLY SAVE THESE INSTRUCTIONS

This device complies with part 18 of FCC Rules. This product may cause interference to radio equipment and should not be installed near maritime safety communications equipment, ships at sea or other critical navigation or communications equipment operating between 0.45-30 MHz.

TROUBLESHOOTING GUIDE

Problem	Possible Cause	Solution
Light will not illuminate.	Bulb is not fully tightened in the socket.	Follow the steps below in the Bulb Installation and Replacement Section to open the mirror case. Hand-tighten the bulb by turning the base of the bulb clockwise. Do not attempt to tighten the bulb by gripping the spiral glass tubes as they may break.
	Plug is not fully inserted into outlet.	Push the AC plug fully into the outlet.
	Bulb is inoperable.	Contact customer service at customerservice@blackstoneltd.com or call 1-888-525-7969 to request a replacement bulb.

WARRANTY: This vanity mirror includes a one (1) year warranty, which covers manufacturer defects and workmanship under normal use. Warranty is offered only to the original purchaser. Proof of purchase is required. A dated sales receipt constitutes proof of purchase. This warranty is void if the mirror has been subject to abuse such as: being dropped which could result in damage, etc.; immersion in or exposure to water; exposure to excessive heat, outdoor usage, any use other than household use; disassembly, repair or alteration by anyone other than an authorized service provider; use on improper voltage or current; or any use contrary to the user instructions. To receive coverage under this warranty, contact customer service for consultation and/or replacement. DO NOT attempt to repair any electrical or mechanical functions of this product; doing so will void this warranty. IN NO EVENT SHALL BLACKSTONE INTERNATIONAL LTD BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, WHATSOEVER.

SUNTER™

Natural Daylight Mirror Dual 1 x / 10 x Magnification

MODEL #: VM-2016-3569

For your safety and enjoyment of this product, always read the instruction book carefully before using.

Your Natural Daylight Mirror features Full-Spectrum Certified™ lighting. Full-Spectrum Certified ensures that you see yourself with true-to-life color that is glare-free. The table top mirror features optical grade mirrors that are fog-free, shadow-free and distortion-free.

This Natural Daylight Mirror uses an energy efficient Full Spectrum Certified™ compact fluorescent bulb that will let you see your face in a whole new light.

The optical grade glass mirrors offers both a 1X and 10X magnification by simply rotating the mirror up to 360° for the best viewing angle.

BULB INSTALLATION AND REPLACEMENT

CAUTION: TURN OFF POWER AND UNPLUG. ALLOW TO COOL AT LEAST 5 MINUTES BEFORE REPLACING BULB.

1. Unscrew the two side screws on the mirror head (Fig. 1).
2. Carefully remove the mirror head housing.
3. Unscrew light bulb and replace with new light bulb.
NOTE: Max 120V 13W bare spiral self ballast compact fluorescent bulb
4. Replace mirror head by lining up the screw holes and screw into place.
5. Plug the lamp into the AC outlet.
6. Compact fluorescent bulbs contain mercury. Manage in accordance with local disposal laws. For more information, please visit: www.lamprecycle.org.

CAUTION: To reduce the risk of electric shock, this furnishing has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

MAINTENANCE: Your lighted mirror is designed for household use and is virtually maintenance-free. No lubrication is needed. If cleaning becomes necessary, disconnect the appliance from the power source and wipe exterior with a damp cloth. Clean mirror surfaces with a glass cleaner. Do not light until you are certain mirror is completely dry. If any abnormal condition occurs, unplug the lighted mirror, allow it to cool, and return it to an authorized service center for repair.

STORAGE: BE SURE DIRECT SUNLIGHT DOES NOT STRIKE MIRROR WHEN LEFT UNATTENDED. Allow to cool to room temperature before storing. Place in cool, dry area out of reach of children, and where mirror will not be damaged.

IMPORTANT SAFETY INSTRUCTIONS

WHEN USING ELECTRICAL APPLIANCES, BASIC SAFETY PRECAUTIONS SHOULD ALWAYS BE TAKEN, INCLUDING THE FOLLOWING:

READ ALL INSTRUCTIONS BEFORE USING APPLIANCE. KEEP AWAY FROM WATER

DANGER- RISK OF ELECTRIC SHOCK: ALWAYS UNPLUG THIS APPLIANCE FROM THE ELECTRICAL OUTLET BEFORE CLEANING.

WARNING - TO REDUCE THE RISK OF BURNS, ELECTROCUTION, FIRE OR INJURY TO PERSONS:

1. Read all instructions before using the appliance.
2. Always unplug the lamp from the AC wall outlet before installing or changing the bulb
3. Close supervision is necessary when the lighted vanity mirror is used by or near children, invalids or disabled persons
4. Use the lighted vanity mirror only for its intended use as described in these instructions. DO NOT use attachments not recommended by the manufacturer
5. Never operate the lighted vanity mirror if it has a damaged cord or plug, if it is not working properly or if it has been dropped or damaged or dropped into water. Return the lighted vanity mirror to a service center for examination or repair. No repairs should be attempted by the consumer
6. Keep the cord away from heated surfaces
7. Never operate the lighted vanity mirror with the air openings blocked. Keep the air openings free of lint, hair, dust and the like
8. Never drop or insert any object into any opening
9. DO NOT use outdoors
10. DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.
11. DO NOT PUT INTO DIRECT SUNLIGHT. Be sure mirror is not in a position where it can reflect sunlight; reflected sunlight can cause fire.
12. To disconnect, turn all controls to the OFF position, then remove plug from outlet.
13. If an appliance falls into water, unplug it immediately. DO NOT reach into the water.
